Integration

No man is an island

**No one is self-sufficient;
everyone relies on others.**

**from a sermon by the seventeenth-
century English author John Donne**

Central Support

Universities of Technology

- The new (draft) Qualification Structure
- The new Funding Formula
- National Plan on Higher Education 2001
- (Conflicting?) Government policies –
Tightening the reins of expenditure *versus*
expanding training for SET and teacher
education *(Hanekom,2004)
- Draft White Paper on e-education 2003
- Position, role and function of UoT 2005
- Mergers!

“Marketing” of e-Learning

What is in it for me

- **The message:**
 - QA in a multi-campus environment
 - Empowering lecturers to remain relevant
 - The LMS as a management tool
- **Target Audience**
 - Individual lecturers (showcase and best practice – all registered as students)
 - The Institution (incorporate in strategic plan – new programmes)

Centre for e-Learning

Support (training) & Development

- **Management Information Systems**
 - Moderators reports and records of scripts
 - Student activity (subsidy calculations)
- **Centralised learning objects**
- **Quality Assurance**
 - Multi campus model (multiple sites of delivery)
- **Skills Development (performance management)**
- **Training – Training – TRAINING!!!**

Is it working?

- **27 000 FTE's – 34 000 student numbers**
- **55 000 users**
- **2006 ? 2nd year of three year plan**
- **Migrating to CE6**

Thank You
